FUNDS AFFECTED: **GENERAL**
 DEDICATED
 FEDERAL

IMPACT: Local

Summary of Legislation: The bill authorizes a unit of local government to enter into an agreement with a utility concerning the relocation of the utility's facilities for a major project undertaken by the local unit. It requires that the agreement must include a date for relocation and a force majeure clause.

It also requires a utility to provide a unit contact information for the utility's authorized representative.

The bill specifies that a unit that is responsible for relocation costs may pay the costs in arrears in accordance with the procedures of the State Board of Accounts.

Effective Date: July 1, 2013.

Explanation of State Expenditures:

Explanation of State Revenues:

Explanation of Local Expenditures: The bill is expected to have minimal fiscal impact on local units.

A local unit may incur minimal costs to maintain the utility contact information required to be provided and updated under the bill. Any other fiscal impact will result from a local unit establishing an improvement project as a major project and requirements to make a reasonable effort to identify and notify utilities. The statute includes authority for a local unit to enter into an agreement with a utility to relocate the facility.
